

Dear Youth Minister,

Butler Chapter of Pennsylvanians for Human Life is exploring ways to reach out to the Young People of our area. We are writing to you to offer our resources and to elicit your suggestions for activities that we could possibly coordinate for our preteen-teen age men and women.

We feel very strongly that the teen years are the time to reinforce the message that all Life is sacred. Many children hear this message, but when they reach the age when their friends are getting pregnant, there is a sudden conflict –

How can I be ProLife and still support my friend?
How can I assist my friend in making the best decision?
Should I betray my friend's confidence and speak to my parents about what is happening?

Butler PHL has speakers and a few videos that could be used as discussion starters, to help you explore these issues with the teenagers who are part of your congregation.

Please share yours thoughts with us:

- Would you be willing to host a Pro-life program for Teens at your Church?
- Check Pro-Life information on our Web Site: www.phlbutler.org or Lifeline's Web Site at: www.lifelinebutler.org
- If you would like to borrow a video or request one of our speakers, you may write to us at: Butler County Pennsylvanians for Human Life
PO Box 93
Butler, PA 16003-0093
Or email us at: gcararie@zoominternet.net

These young people are our future; if we succeed in educating them to Respect all Life, then abortion and euthanasia will no longer threaten our society.

Sincerely,

Gretchen Cararie,
PHL, Butler County
